IT Resources / Staff Augmentation

FootPath offers our clients the convenience of hiring our consultants on a contract basis. In this scenario our consultants work under the client's project management with billing on an hourly basis. FootPath is the right choice for all needs concerning qualified and experienced consultants for short or long term assignments. The following are some highlights on our on-site consulting services.

- **Guaranteed Quality:** Every employee/consultant goes through mandatory technical trainings in Methodologies, Tools and Processes. We guarantee every direct client first 2 weeks with no obligation.
- Experienced Architect & Project Management Support to every Employee and Consultant. Access to FootPath tools, developers and Knowledge Base
- Prompt response to client needs
- Background & Drug Testing of every employee/consultant
- Weekly Performance & Status Evaluations
- Continued support & maintenance for completed jobs
- Technical, Project Management & Organization Trainings to update consulting employees skills
- Company Management commits transparency/honesty and open-door policy to every consultant & employee.
- Excellent Benefits and Pay Package
- OFFSHORE Development and Call Center: Backed by overseas operations in India for cost-effective outsourcing of Maintenance, Development or Business Process Outsourcing.
- Adherence to equal employment opportunity & affirmative laws
